LEG/CALF PRESS

From the ratcheting seat adjustment, fully enclosed weight stack, seat-back lumbar wings, and stability feet to prevent tipping, TRUE has addressed it all with the Leg/Calf Press machine from the new FORCE strength series. This machine enhances any facility with its ultra-sleek and stylish appearance and will exude sophistication in any setting. The low-profile, walk-through design makes for a simple entry and exit for all users. Superior aesthetics and a compact footprint allow this machine to be placed virtually anywhere within a facility and efficiently utilize your valuable real estate while providing users with two exercises in one machine.

TRUE is Impacting Fitness. TRUE has a thirty-four year history making the world's most premium cardio equipment. Now, we are taking that same manufacturing and design quality and bringing it to you in the new FORCE strength line. All of the features you have come to associate with TRUE are found in the FORCE line...quality, durability, craftsmanship and superior aesthetics. Welcome to the new TRUE.
